Contour Series PAR20 LED Lamp, 3000K, 470 lumens, 50W Replacement, Dimmable

The Verbatim Contour Series 3000K PAR20 LED lamp is a high-quality, energy efficient 50-watt replacement lamp. Contour Series PAR20 3000K LED lamps utilize Thru-Vent Technology, which allows air to pass through the casing of the lamp and maximizes the surface area of the heat sink – without visible heat sink fins. The result is a smooth, white, streamlined exterior that closely resembles the appearance of traditional halogen PAR20 lamps. Ideal for commercial and residential applications, Contour Series PAR20 LED lamps feature non-glare optics, to reduce eyestrain and maximize productivity. Fully dimmable, with a warm, 3000K color temperature, Contour Series 3000K PAR20 LED lamps are an excellent choice for indoor recessed lighting or track lighting applications. ENERGY STAR® qualified, and backed by Verbatim's 5-year limited warranty, the 3000K PAR20 LED lamp has an estimated design lifetime of 40,000 hours*, resulting in reduced maintenance and replacement costs when compared to halogen lamps.
